

Avon Grove Indoor Drum Line 2012

We are what we repeatedly do. Excellence, therefore, is not an act but a habit.
~Aristotle

GENERAL INFORMATION

What is indoor Drumline?

The indoor drumline consists of the marching percussion (or battery) and front ensemble (or pit) sections of a marching band. The indoor drumline performs a show which incorporates music performance, marching, and theater. The show will span from anywhere between 4-6 minutes. The Avon Grove indoor drumline will compete against local high schools from the Pennsylvania and New Jersey area. At the end of the season in May, Avon Grove's indoor drumline will compete in TIA finals in Wildwood, New Jersey.

Over the next 5 months, you will be given basic instruction on playing technique for various instruments, marching technique, and performing. This training will be expanded into a 4 to 5 minute visual production.

Our Indoor Units compete in circuits, which are similar to leagues in sports. While each circuit makes its own rules and has its own judges, they usually conform to those rules set by an international governing body. The circuit in which we are primarily participating in this year is the TIA (Tournament Indoor Association). TIA is the indoor component of TOB (Tournament of Bands), the circuit the band competes in during the fall season. We are members of Chapter 3 and we are required to compete in a certain number of shows within our chapter. Each chapter holds a championship that will seed the units into the Atlantic Coast Indoor Championship shows in Wildwood, NJ, at the conclusion of our competitive season.

There are many different categories in which groups can compete. First, each category is divided into scholastic or independent. For a group to compete as scholastic, all of its members must currently be enrolled in the same school or school district. The groups are then divided by what they are. Some examples are percussion, twirlers, dance teams, and color guards. These groups are then broken down into levels. These levels are Cadet, Middle School, Novice, Intermediate A, A, Open, and World. This year, the Avon Grove Indoor Drumline will be participating as a Novice Class Marching Percussion Unit.

Why does Avon Grove sponsor an indoor Drumline?

Our main goal is to further develop skills of the current members and train future members of the outdoor Marching Band program. A secondary goal is to allow Indoor Drumline members to perform in another format; one that allows them to showcase their skills in a more intimate setting than the football field. As in our fall program, students will work to develop the cooperative skills and strong work ethic that goes along with being part of a team.

Who may join?

Any student (9th –12th grade) that wishes to improve their skills or learn what the activity is about will be given the opportunity to perform with the Avon Grove Indoor Drumline.

Will we have to audition?

No, you will not have to audition to join the ensemble. However, each student wishing to perform on an instrument (Snare, bass, tenor, marimba, etc...) will be evaluated based on an audition experience to determine instrument placement. Students will receive an audition placement packet at the information meeting. This process is meant to create fair performance opportunities for each instrument and not to scare any student from joining.

After the first few rehearsals we will finalize the roster so we can begin to design the show. It's very important that you complete the season if you make the commitment. Unlike sports, there is not another kid on a bench waiting to take your spot. The show is staged and your spot is integral to the overall show design. If someone quits mid-season, the designers have to change the show, and then the rest of the color guard has to RE-LEARN the show to make up for the missing person.

How can our parents be involved?

We will need help setting up at shows, painting the floor, building props, chaperoning, transporting props and equipment, setting up the floor at shows, etc. More information on this will follow. Also, if your parent is not already a member of the Avon Grove Music Boosters, they should consider joining at the next meeting (Visit the AG Band website for more

information: <http://www.aghsmusicboosters.org>) Most of all, we welcome parent support as a cheering section when we perform. Parents are always welcome and encouraged to come at the end of rehearsals to see run-throughs. We are proud of what you accomplish and we know they will be too!

When will we practice and go to shows?

We will practice on Mondays, Wednesdays, and Saturdays from 6-9pm. Please see the calendar for the starting date and for any off rehearsals. We will also have short rehearsals on show days (all shows will be on Saturdays). We will perform at local Indoor shows, Chapter 3 Championships, and All Chapter Championships (Wildwood). A tentative schedule is attached.

What about snow?

If the Avon Grove school district is closed (all day or an early dismissal) due to inclement weather on a weekday rehearsal (Monday or Wednesday) then practice is automatically cancelled. If there is a 2-hour delay there WILL still be rehearsal. If weekend plans change we will contact you by email, text and post on our website.

What is the Attendance Policy?

All members are expected to attend all rehearsals and performances. Attendance is extremely important, and mandatory for participation in this activity. All equipment skills, movement skills, routines, and drill can only be learned through active participation. Consider this if you think that other activities or work will interfere.

Any conflicts must be discussed with the staff at the beginning of the season. Any emergencies (illness, family emergencies, etc.) are excusable absences IF you contact a staff member prior to rehearsal. Work, social events, etc. are not excused absences.

Though academics are your main focus at all times, part of being a successful student is time management. You need to plan out your homework/study times around scheduled rehearsals.

Please remember it is YOUR responsibility to let a STAFF member know if you will be missing rehearsal AND to make up any work you missed. You must call, text or email Sean Rode (484-354-9524, SR672106@gmail.com). TELLING another member to tell the staff you won't be there is not acceptable.

Repeated and/or unexcused absences jeopardize your ability to be a successful performer. The staff reserves the right to pull you from performance if absenteeism becomes a problem.

This schedule seems like a lot to me. Why do you rehearse so much?

We don't rehearse too much; in fact, we don't rehearse as much as most of our competitors. Indoor Drumline is not a leisurely activity that you can add to an already-full schedule. It's a competitive sport, one that requires training and conditioning just as much, if not more so, than any other sport. IT IS NOT EASY, but the rewards are amazing.

There's a saying; "If you want to get something done, ask a busy person to do it." We can tell you from decades of experience as instructors and performers that when a student gives a time commitment to an activity, they almost always manage their free time more effectively. They figure out exactly when they have to get their homework and studying done.

Can I Be Involved in Other Activities During the Indoor Drumline Season?

If you are involved in other school activities we will work with you to try to make it possible to do both. This may involve some splitting of time with another activity. Before commitment day, we will talk with each of you about possible conflicting activities. Some we can work with, some we cannot; and you'll have to make a choice. While we don't want to exclude anyone, the group cannot be successful if members miss rehearsals and performances for other activities.

You MUST make us aware of all possible conflicts prior to the start of the season.

What are the costs?

Indoor Drumline Dues: \$150 (due January 6, 2012)

Includes:

- *Costume*
 - Since costumes are specific to the show concept and only used for one season, each member will pay for their own costume (which they will get to keep at the end of the season). This is similar to what dance companies do for their recital costumes. The costume is then yours to keep.
- *Show T-Shirt* (yours to keep)
- *Equipment Fee*
 - Due to the lack of funding for this program, we are asking all members to contribute a small amount to help offset the cost of drumheads, parts, paint, etc. This will not cover ALL of the costs of the production and we will also be doing fundraisers.
- Please make all checks out to *AGIMBA (Avon Grove Instrumental Music Boosters)*

Indoor Drumline Supplies:

These are supplies everyone needs, but they are the same every fall and indoor season.

- Dinkles (\$25-\$30) We will perform with marching dinkles from outdoor. (Black)
- Students will be required to purchase their own mallets and sticks. I will tell each student which sticks/mallets to purchase and where to purchase the materials.

Optional "Spirit Wear" Supplies (will order sometime in January)

- Hoodies/Sweatpants: \$18-\$22 each

Wildwood Trip (Payments due each month)

- This is our annual trip to All Chapter Championships in Wildwood, NJ. It's an exciting event and a great culmination to our season.
- Cost is an estimated \$200-\$280, but we try very hard to keep it as low as possible. You will be receiving a Wildwood Packet with more details shortly.
- A deposit of \$25 is due by December 12, 2011.

Avon Grove School District Activity Fee

- All students that participate in COMPETITIVE extra-curricular activities or sports must pay a once a year activity fee of **\$150**. If you participated in marching band, color guard, or a fall sport and have already paid this fee you do not have to pay this again. If you are new, please pay \$150 as soon as possible (Checks made out to the Avon Grove School District)

Students may use money in their band fundraising accounts to pay for any costs associated with the indoor guard program other than the district activity fee.

If costs are an issue, do not assume you cannot participate. Make the staff aware of your situation and we will work out a payment plan.

Are there fundraisers?

There will be specific fundraisers to support the Indoor Drumline Program. You may also participate in all fundraisers sponsored by the Music Boosters. With all fundraisers, a portion of the profit goes to your student account. This money can be used for any supplies, trips, etc.

Our biggest fundraiser during Indoor Season will be our home show. More information on how you can help with this coming soon!

Is there a dress code for rehearsals?

YES! You must wear the following for rehearsals:

- Clothing comfortable enough to wear while marching and performing.
- Dinkles or Sneakers fit for marching.

If my friend missed the meeting, is it too late to join?

NO! Take a packet for them and bring them to the first full rehearsal.

I still have questions, what should I do?

Requirements / Expectations

Attendance at all rehearsals and performances is mandatory! Exceptions would include...absence from school due to illness, family emergency, etc (see contract for details). Be committed to your fellow percussion members by faithfully attending all practices and shows.

- 1) BE PUNCTUAL (“to be early is to be on time, to be on time is to be late, to be late is not to be”) The set practice time is when rehearsal begins. Arrive at the school before this scheduled time to allow you to:
 - Move the front ensemble and battery to the practice location.
 - Move tables (in cafeteria) and set up the floor at our practice location.
- 2) Practice Healthy Habits: eat right, exercise, get enough rest, etc. Indoor Drumline is a SPORT; you are an athlete. Your body is your instrument, keeping it in shape helps your ability to perform.
- 3) Come prepared to rehearse at each rehearsal: know where and when to report (if you’re not sure, ASK). Have all of your equipment.
- 4) Dress APPROPRIATELY to rehearse: Addressed Earlier
- 5) Behave appropriately at all rehearsals and performances. Remember, you not only represent yourself at various rehearsals and performances, but you represent your school and the AGHS Music Department! At the director’s discretion, inappropriate behavior may lead to dismissal from the ensemble.
- 6) Maintain your grades. Manage time efficiently so that schoolwork and practice do not conflict. (Don’t wait until the night a project is due and make the choice to skip rehearsal to complete it.)
- 7) Practice at home regularly. With A METRONOME
- 8) Practice teamwork and good sportsmanship at all times:
 - Try your best at practice and during performances; learn from your mistakes, accept constructive criticism, and do not get angry with yourself or others for making a mistake.
 - Pay attention to and respect your instructors.
 - Accept roles you have been assigned, even if they are not your first choice.
 - Be positive and encourage fellow members.
 - Take pride in your team, no matter the score or placement.
